25X1X

1. On 16 December 1950, about one hundred and twenty LA7 type planes were observed on the Deta airfield. The planes were painted brown with a red star on both sides of the fuselage and on the upper and lower sides of the wings. A Soviet three-ton truck was observed leaving the Deta airfield.

25X1C

2. Several freight cars bearing the name plate, "Eisenstadt," were seen at the Deta railroad station.
